

Dear Parent(s):

The availability of infant and toddler child care in Rice county is very limited and hard to find. If you would like assistance locating infant or toddler care, please contact: cpeterson@co.rice.mn.us. Please include your name and contact information along with the start date of child care, days and hours you will need care for your child/ren, the ages of your child/ren, and the community in which you will need care to be provided. I can send an email to all the licensed providers in that community and have them contact you directly if they are interested. If you would prefer to call me, feel free to do so at 507-332-6272.
