- Are you taking any antiviral medications? yes no
- Have you had any live virus vaccines such as MMR, VAR, Shingles or Yellow Fever in the past 4 weeks? yes no

Complete this section ONLY for children 6 months through 8 years of age:

Did the child receive at least 2 doses of seasonal flu vaccine before July 1, 2020? YES NO NOT SURE

I have been given, read or had explained to me the "INFLUENZA (FLU) VACCINE: WHAT YOU NEED TO KNOW" Vaccine Info Sheet (August 15, 2019). I understand the benefits and risks of influenza vaccine. I have had my questions answered. I understand there is a cost involved with receiving the influenza vaccine and that I may be responsible for a copay and/or receive a bill for the remaining amount due. I am providing accurate, complete payment information so that Public Health can bill and be reimbursed for the administration and cost of the vaccine, as applicable.

Signature of person to receive vaccine or person authorized to make the request:
