

1. Open the Rice County, MN Beacon™ online GIS website at this location: <https://beacon.schneidercorp.com/?site=RiceCountyMN> by clicking the Pay online by E-check or credit card “click here” link on the Pay Property Taxes page on the Rice County website or by typing the URL directly into your browser’s address bar.

2. If this is the first time you are viewing the Beacon™ online GIS website, you may need to read and agree to initial disclaimers to enter the site.

3. Rice County, MN should populate as the default county. If Rice County, MN does not appear in the County/city/area field, please select Rice County, MN from the dropdown list of available county websites by clicking the down arrow.

Beacon and qPublic.net are interactive public access portals that allow users to view County and City information, public records and Geographical Information Systems (GIS) via an online portal.

Beacon and qPublic.net combine both web-based GIS and web-based data reporting tools including CAMA, Assessment and Tax into a single, user friendly web application that is designed with your needs in mind.

- [Search across multiple counties with Guidepost!](#)

4. Under Navigate to, click Property Search.

5. On the Search page, enter the Parcel ID number of your property into the Parcel ID Search field and click the corresponding Search button. If you do not know your property's Parcel ID number, enter the address of your property (street number and street name) into the Address Search field and click the corresponding Search button.

6. The search will take you either directly to a Report page for the Parcel ID you entered, or to a Results page from which you can scroll through the list of parcels and select your property by clicking on the Parcel ID.

7. On the Report page, scroll down the page to the modules for Taxation and Tax Payment.
